ARMCHAIRS

An original and comfortable shape for Bonnie: halfway between an armchair and a chaise longue, it is characterized by the backrest that continues on the seat and on the lower part, replacing the legs in the front. The oblique rear legs with bronzed brass feet add an intriguing vintage note, while the upholstery available in the different fabrics of the collection, including Prince of Wales and other menswear fabrics, is in line with Gianfranco Ferré's deepest identity.

Armchair with structure in beech wood and foam. Upholstery in fabric Fabric cat. A | L.19.06 and Leather cat. A | L.02.05. Back feet in black lacquered finishing with tips in bronzed wood. Base in bronzed brass.
