DINING TABLES

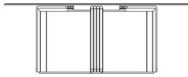

Protagonist of the dining room, the imposing Glasgow table has a coupled and ground bronzed glass top, anchored to a brass disc and equipped with removable Lazy Susan. The unique base in bronzed brass consists of a single piece structured on three legs and is externally covered in wood to accommodate the trajectory of the decorative strings. A scenographic and impactful set for a Gianfranco Ferré Home style dining room.

Dining table with structure in metal with bronzed finishing. Coupled glass top (extra clear + smoky) and decorative ropes. Details in bronzed finishing. Optional Lazy Susan in metal with bronzed finishing.
